Diplomate American Chiropractic Board of Sports Physicians® (DACBSP®)

Beginning March 2012 - Minneapolis, Minn. area and June 2012 - San Jose, Calif.

A combination of live weekends and online learning components totaling 216 hours of study, the Sports Diplomate program provides learners with unique interactive experiences and dedicated hands-on sessions that allow for the ultimate application of knowledge. In addition to the DACBSP® exam given through the ACBSP™, this program also prepares doctors to sit for the Certified Strength and Conditioning Specialist (C.S.C.S.) exam given by the National Strength and Conditioning Association. [CCSP®](#) and DACBSP® programs may be taken concurrently.

Sports Program Coordinator

William Moreau, D.C., DACBSP®, C.S.C.S., F.I.C.C.

Dr. Moreau is the Director of Sports Medicine Clinics for the United States Olympic Committee where he leads the multiple disciplinary sports medicine teams at all three Olympic Training Centers. He is also the founder and educational coordinator for DConline.

Continuing education credits have been applied for in select states. Please check with the Continuing Education and Events Department or your state board for more information.

CPR Requirement:

CPR certification is required to sit for the ACBSP™ exam. CPR certification may be earned through your local American Red Cross or most community colleges.

Diplomate Requirements:

Diplomate status requires passing both a written and practical exam administered by the American Chiropractic Board of Sports Physicians™ (additional cost). Annual recertification requires continuing education and fee. For more details visit www.acbsp.com/certifications.

Seminar Notes:

Notes will be distributed electronically approximately one week prior to the seminar.

Registration:

Visit the [seminar registration](#) page to sign up for a course; online registration currently not available, please use the alternative methods of registration. Be sure to read the policies and procedures prior to registering.

Deadlines:

Requests for reasonable accommodations for individuals with documented disabilities must be submitted to the Continuing Education and Events office at least 10 working days prior to the seminar.

Cancellation Policies:

Single Seminar Registration: Refunds, less a 25% administrative fee, will be issued upon request if received more than seven calendar days prior to the event. There are no refunds permitted after that time. Registrations may be transferable to another scheduled seminar within the same fiscal year (July-June).

Multiple Session Program Registration: After prepaying multiple sessions to receive the discounted pricing, Palmer College will calculate the refund, less a 25% administrative fee, for the remaining unattended sessions. The refund request must be received at least seven calendar days prior to the next session. Program registrations may be transferable to another course within the same fiscal year (July-June). No refunds are issued for the online session portion of multiple session programs.

Disclaimer:

A minimum number of registrants are required for program presentation. Please register three weeks prior to the first session to ensure program success. Program will not be presented without enough interest.

CCSP®, DACBSP®, Diplomate American Chiropractic Board of Sports Physicians®, Certified Chiropractic Sports Practitioner®, Certified Chiropractic Sports Physician®, and American Chiropractic Board of Sports Physicians™ are service, trade and/or certification marks of the American Chiropractic Board of Sports Physicians, Inc.
